### Appendix 3: Application Form (Transport Canada Form 24-0093)

Transport Canada Form 24-0093 European Maintenance Organisation (MO) application for initial/ continuation of a Maintenance Approval in accordance with the Bilateral Agreement between the European Union and Canada on Civil Aviation Safety.	Page 112
For the Applicant:	
1. EASA Part 145 MO name: Lufthansa Technik AG	EASA Part 145 certificate number: DE.145.0001
2. Address of MO: Wegbeim Jaeger 193, 22335 Hamburg, Germany	
3. Mailing Address (if different from 2 above): Ovalry M., gmenTQ31, PO Box 630300, 22313 Hamburg, Germany	
4. Tel: +4940507C	Fax: +494050704501
E-Mail:	@lht.dlh.de
5. Please select the type of application and complete the section 6 of the Form a. Initial <input type="radio"/> b. Continuation <input type="radio"/>	
6. Application:  I wish to apply on behalf of this MO for an approval to perform maintenance on Canadian products in accordance with the Agreement concluded between the European Union and Canada on Civil Aviation Safety.  I understand that a maintenance approval granted under the terms and conditions of the bilateral agreement between the European Union and Canada is subject to the charges described in the CAR 104 <sup>1</sup> and that failure to submit the applicable charge may result in the suspension or cancellation of an existing maintenance approval.  I additionally understand that no technical investigation in relation with an initial application to a maintenance approval will be carried out until payment of applicable charge has been submitted. <sup>2</sup>	
Date: 14. August 2013	
Name & Signature of the MO Accountable Executive: Dr. Thoma Stueger	
: This application form is to be addressed to the MO's NAA Surveyor together with documents supporting the application, and in particular the EASA Supplement to the AMO Maintenance Policy Manual.	
Member State NMA Action: Please forward this application to: Transport Canada Civil Aviation Operational Airworthiness (AARTM) Tower C, Place de Ville 330 Sparks Street, 4th Floor Ottawa, ON, Canada K1A 0N8 e-mail EASATCCA@tc.gc.ca	

<sup>1</sup> For information regarding the current fees and charges please refer to the EASA fees and charges regulation which can be found on the TCCA web site <http://linfo/civilaviation/Regserv/Affairs/cars/Part1/Subpart4.htm>

<sup>2</sup> Upon receipt of an application form TCCA will address to the applicant an invoice containing details related to payment methods.

Transport Canada Civil Aviation Form 24-0093 European MO application for Initial/ continuation of a Maintenance Approval in accordance with the Bilateral Agreement between the European Community and Canada on Civil Aviation Safe	Page 2/2
---	----------

8. To be filled by TCCA:

TCCA hereby confirms that the applicant: EASA Approval Number 115.C(JO)

has paid the charge in relation with the above described application, and therefore TCCA authorises ~~the~~ continuation (strike through as required) by the NAA of the CAR 573, Approval # 122 to perform maintenance on Canadian products once it has been satisfied compliance of the AMO to applicable regulatory requirements.

Name:  TCR-552

Date: 09/19/2013. 

Please forward this acknowledgement to:  
The Applicable EU Member State NAA

To be filled by TCCA. In case of non-compliance

TCCA hereby informs the applicable NAA that the applicant has failed to pay the applicable charge and that the application / continuation of the TCCA Approval is rendered invalid.

(This information is to be forwarded to EASA)
